## How long will it take?

All applications are likely to vary and of course, we can give you a more accurate estimate once we have more information about your specific case.

This will depend on the individual circumstances, the amount of supporting evidence and whether any further documentation is required before an application is made on your behalf.

Furthermore, we cannot guarantee how long the Home Office will take to process your application. You can find out more about the current processing times by clicking here. <https://www.gov.uk/visa-processing-times>
